LEGAL NAME	SMART ECONOMIC DEVELOPMENT COMPANY LLC
REGISTRATION NUMBER	282.110.1456811
REGISTRATION DATE	14 May 2025
LOCATION	Yerevan, Armenia

Business focus: practical digital solutions for small businesses and startups, with clear project scope, direct communication, and an agreed handover.

What we can help you build.

01 Website development

Company websites, service websites, and e-commerce storefronts. Responsive design, content structure, and launch preparation.

02 Custom software

Web applications, internal tools, and operations portals designed around business requirements and connected to existing systems.

03 Business automation

Connected workflows, recurring task automation, data transfer, notifications, and reporting that reduce repetitive manual work.

A clear path from idea to delivery.

01**Discover**

Understand the need.

02**Define**

Agree scope and plan.

03**Develop**

Build and review.

04**Deliver**

Launch and hand over.

Start a conversation.
